Plan. The borough is divided into ten districts, each district being in charge of a supervisor, who is assisted by one male and two female visitors.

Policy. Relief is granted without regard to creed, color, or nationality.

Finances. It is conducted strictly on the *voluntary contribution plan*, not a dollar having ever been solicited by begging committees, and during the past twelve years it has been abundantly and generously supported.

Officers. Milton Boone, President; Rev. B. F. Patterson and J. A. M. Passmore, Vice Presidents; John P. Bertram, Secretary, W. B. Wells, Cor. Sec.; Charles H. Woltjen, Treas.; George Chambers, John C. Harper, Morris Rohrheimer, Charles Lord, G. W. Kennedy, Managers. These gentlemen constitute the Executive Board, and all of them except the president are supervisors of districts.

The Benevolent Association's Home for Children. This is a branch of the Benevolent Association, and was opened May 24th, 1873.

Object. To afford a home, food, schooling and clothing for destitute, neglected children, and, at a suitable age, to place them with respectable persons and families, to learn some useful trade or occupation, and thus aid the Benevolent Association in its work, as one of its greatest difficulties was that many children needed help whose parents were poor and unworthy, and that some children, without parents and friends, were growing up neglected, wicked, ignorant and depraved.

Policy and Finances, managed on the same plan as the Benevolent Association.

Officers. John Phillips, President; Milton Boone, Vice President; Mrs. M. F. Parry, Cor. Sec.; S. H. Kaercher, Rec. Sec.; Charles H. Woltjen, Treasurer, *ex-officio*, J. Lineaweaver, Solicitor.

PINE GROVE

Is situated at the base of the Blue Mountain, on the line of the Schuylkill and Susquehanna Branch of the Philadelphia and Reading Railroad, 41 Miles from Harrisburg, 18 miles from Auburn, where it connects with the Main Line, 28 miles from Pottsville. Pine Grove was settled about the year 1771, and incorporated as a borough May 7, 1832. The leading feature among the business interests of Pine Grove is the mining and shipping of coal, it being the principal shipping depot of the western section of the great Anthracite Coal Basin. Prominently identified with the coal interests may be mentioned the extensive firms of Miller, Graeff & Co. miners and shippers of the celebrated Lorberry Coal, and Levi Miller & Co., miners and shippers of famed Lincoln Lykens Valley Coal. The extent of their operations is simply enormous. The hotel accommodations of Pine Grove are excellent, the Pine Grove Hotel, under the able management of Samuel P. Filbert, and the Railroad Hotel, conducted by D. A. Croll, being especially worthy of mention. The present population of Pine Grove is about 1,000.

TREMONT

Is situated on the Lebanon and Tremont Branch of the Philadel-
 phia and Reading Railroad, 7 miles from Pinegrove, 35 from Potts-
 ville, by rail, and 48 from Harrisburg. It was settled in 1816 or
 1817, by Henry Zimmerman. The first buildings of any conse-
 quence were erected in 1844, and in 1848 the post office was estab-
 lished, John B. Ziebach being the first postmaster. Tremont was
 incorporated in 1866. In the immediate vicinity are located exten-
 sive mining operations, which necessitate the use of steam engines,
 mining pumps, coal breakers, etc. These interests are fully pro-
 vided for by the extensive establishments of Adam Ferg, proprietor
 of the Donaldson Iron Works, and C. W. Brower, proprietor of

the Tremont Iron Works. These establishments are under the management of thoroughly reliable and practical gentlemen, and the work turned out is not surpassed by any in the country. Prominently identified with the business interests of Tremont are the extensive steam soap works of Savage Brother & Owen. The reputation of this firm for manufacturing pure soaps is so well known as to need no special mention.

Tremont supports two newspapers, the Tremont News, edited and published by U. G. and Theo. F. Batdorff, and the West Schuylkill Press, S. C. Kirk, editor and proprietor. The latter is an independent seven column weekly, and under its able management is considered the special organ of the West End. Tremont has a population at present of about 2,200.
